

Administration of All State Mandated Tests in an Ethical Manner Policy

Bridgewater Academy will administer all state mandated tests in an ethical manner. Proper ethical conduct will be followed as outlined in the SCDOE Testing Ethics Policy. Every test will be administered according to its individual testing procedures and instructions.

Any licensed educator found out of compliance with the rules and regulations outlined in the SCDOE Testing Ethics Policy, will have proper disciplinary action taken against them. (Regulation 43-100, Constitutional and Statutory Provision Section 59-1-445, South Carolina Educator Standards Code of Law)
